FOREWORD

The basic coverages provided by the standard American Land Title Association (ALTA) title insurance policies address many common title insurance needs. Often, however, certain insureds or certain aspects of a specific real estate transaction raise special concerns. By requesting an endorsement to the title insurance policy, an insured owner or lender may be able to receive insurance against the risk of a matter that is beyond the coverage of the standard policy jacket.

Over the years, various endorsements have been drafted in an effort to address many common concerns. ALTA has standardized and adopted many endorsement forms that are available for use generally by the title insurance industry. This guide is intended to serve as an introduction for our customers to the most commonly requested ALTA title insurance endorsements in today's market. It contains the text of each such endorsement as adopted by ALTA and is followed by a brief explanation and commentary. You can also speak with your underwriter about other non-ALTA endorsements that may be available to meet your needs and concerns.

As you review this guide, please keep in mind that – due to matters such as governmental regulatory standards and local practices – First American's ability to approve and issue any of the endorsements contained in this guide may vary from state to state and, in some cases, even by locality. In addition, particular transactions may present special risks that might require additional clearance or requirements other than those that are contemplated herein. Also, remember that this guide – by attempting to describe various coverages using non-legal terminology whenever possible – is not and cannot be a determinative explanation or interpretation of the coverages provided. Nor can this guide be an authoritative compilation of the underwriting requirements for issuing any particular endorsement; underwriting requirements frequently vary by transaction, and your underwriter can help explain the appropriate issuing criteria for endorsements in any particular transaction. It's also important to remember that an endorsement becomes part of the title insurance policy, and the coverage provided by an endorsement must be read together with the other terms and provisions contained in the policy jacket.

In short, please remember that the language of each endorsement must speak for itself, and each transaction must be underwritten on its own facts. We've included both the 2021 and the 2006 endorsements as there will be a transition period.

First American Title thanks you for your interest and welcomes the opportunity to serve your real estate needs. If you have any questions about the material in this guide, or about our real estate services, please contact your local First American Title representative for more information.

Thank You!

ALTA ENDORSEMENT 1-06
Street Assessments

Adopted 6/17/2006

The Company insures against loss or damage sustained by the Insured by reason of the lack of priority of the lien of the Insured Mortgage over the lien of any assessments for street improvements under construction or completed at Date of Policy.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 1-06 endorsement is only available for loan policies. It may be issued on improved or unimproved commercial or residential property. This endorsement provides the lender with coverage against loss due to the loss of priority of the lien of the Insured Mortgage which might be caused by the lien of any assessments for street improvements either under construction or completed as of Date of Policy.

It is important to note that the coverage of this endorsement is included in the 2006 ALTA Loan Policy as Covered Risk 11(b) and as such this endorsement is not necessary if the 2006 ALTA Loan Policy is issued in the transaction.

This endorsement does not insure against loss or damage, and the Company will not pay costs, attorneys' fees, or expenses, by reason of any claim that arises out of the transaction creating the assignment by reason of the operation of federal bankruptcy, state insolvency, or similar creditors' rights laws that is based on:

1. the assignment being deemed a fraudulent conveyance or fraudulent transfer; or
2. the assignment being deemed a preferential transfer.

This endorsement shall be effective provided that, at Date of Endorsement, (1) the note or notes secured by the lien of the Insured Mortgage have been properly endorsed and delivered to the Assignee, or (2) if the note or notes are transferable records, the Assignee has "control" of the single authoritative copy of each "transferable record" as these terms are defined by applicable electronic transactions laws.

ALTA 10-06 endorsement is only available for loan policies. It is intended for use with improved or unimproved commercial or residential property. This endorsement is typically requested when the Insured Mortgage is assigned to a new lender pursuant to a post-policy recorded assignment. This endorsement amends the name of the Insured to be the transferee of the Insured Mortgage. It also provides coverage against loss or damage resulting from the failure of the specified assignment to vest title to the Insured Mortgage in the assignee. It also provides coverage against loss or damage resulting from recorded modifications, reconveyances, releases, or discharges of the lien of the Insured Mortgage other than those excepted from coverage in the policy, another endorsement, or this endorsement. Because it was designed for note purchases and mortgage assignments resulting therefrom, this endorsement is not appropriate for collateral assignments of the Insured Mortgage, assignments of leases and rents, or other security-interest transactions. It is important to note that this endorsement does not extend the Date of Policy or “date down” the policy or any of the other coverages that are a part of the policy including any prior endorsements. Please refer to the ALTA 10.1-06 for an alternative endorsement that contains provisions which provide limited coverage for certain matters occurring after the Date of Policy as outlined in that endorsement.

ALTA 12 AGGREGATION—LOAN POLICY ENDORSEMENT

issued by
BLANK TITLE INSURANCE COMPANY**

1. The following policies are issued in conjunction with one another:

<u>POLICY NUMBER:</u>	<u>STATE:</u>	<u>AMOUNT OF INSURANCE:</u>
		\$
		\$
		\$
		\$

2. The amount of insurance available to cover the Company’s liability for loss or damage under this policy at the time of payment of loss shall be the Aggregate Amount of Insurance defined in Section 3 of this endorsement.

3. Subject to the limits in Section 4 of this endorsement, the Aggregate Amount of Insurance under this policy is \$ _____.

4. Condition 7.a. is restated in its entirety to read:

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company has the following additional options:

- a. *To Pay or Tender Payment of up to the Aggregate Amount of Insurance or to Purchase the Indebtedness*

- i. To pay or tender payment of the lesser of the value of the Title as insured at the date the claim was made by the Insured Claimant, or the Aggregate Amount of Insurance applicable under this policy. In addition, the Company will pay any costs, attorneys’ fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay; or

- ii. To purchase the Indebtedness for the amount of the Indebtedness on the date of purchase. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of purchase and that the Company is obligated to pay.

If the Company purchases the Indebtedness, the Insured must transfer, assign, and convey to the Company the Indebtedness and the Insured Mortgage, together with any collateral security.

Upon the exercise by the Company of either option provided for in Condition 7.a., the Company's liability, and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation.

- 5. Condition 8 is restated in its entirety to read:

- 8. **CONTRACT OF INDEMNITY; DETERMINATION AND EXTENT OF LIABILITY**

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by an Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy. This policy is not an abstract of the Title, report of the condition of the Title, legal opinion, opinion of the Title, or other representation of the status of the Title. All claims asserted under this policy are based in contract and are restricted to the terms and provisions of this policy. The Company is not liable for any claim alleging negligence or negligent misrepresentation arising from or in connection with this policy or the determination of the insurability of the Title.

- a. The extent of liability of the Company for loss or damage under this policy does not exceed the least of:
 - i. the Aggregate Amount of Insurance;
 - ii. the Indebtedness;
 - iii. the difference between the fair market value of the Title, as insured, and the fair market value of the Title subject to the matter insured against by this policy; or
 - iv. if a Government Mortgage Agency or Instrumentality is the Insured Claimant, the amount it paid in the acquisition of the Title or the Insured Mortgage or in satisfaction of its insurance contract or guaranty relating to the Title or the Insured Mortgage.
- b. Fair market value of the Title in Condition 8.a.iii. is calculated using either:

- i. the date the Insured acquires the Title as a result of a foreclosure or deed in lieu of foreclosure of the Insured Mortgage; or
- ii. the date the lien of the Insured Mortgage or any assignment set forth in Item 4 of Schedule A is extinguished or rendered unenforceable by reason of a matter insured against by this policy.
- c. If the Company pursues its rights under Condition 5.b. and is unsuccessful in establishing the Title or the lien of the Insured Mortgage, as insured, the Insured Claimant may, by written notice given to the Company, elect, as an alternative to the dates set forth in Condition 8.b., to use either the date the settlement, action, proceeding, or other act described in Condition 5.b. is concluded or the date the notice of claim required by Condition 3 is received by the Company as the date for calculating the fair market value of the Title in Condition 8.a.iii.
- d. In addition to the extent of liability for loss or damage under Conditions 8.a. and 8.c., the Company will also pay the costs, attorneys' fees, and expenses incurred in accordance with Conditions 5 and 7.

6. Condition 10 is restated in its entirety to read:

10. REDUCTION OR TERMINATION OF INSURANCE

- a. All payments under this policy, except payments made for costs, attorneys' fees, and expenses, reduce the Aggregate Amount of Insurance by the amount of the payment. However, any payment made by the Company prior to the acquisition of the Title as provided in Condition 2 does not reduce the Aggregate Amount of Insurance afforded under this endorsement, except to the extent that the payment reduces the Indebtedness.
- b. When the Title is acquired by the Insured as a result of foreclosure or deed in lieu of foreclosure, the amount credited against the Indebtedness does not reduce the Aggregate Amount of Insurance.
- c. The voluntary satisfaction or release of the Insured Mortgage terminates all liability of the Company under this policy, except as provided in Condition 2, but it will not reduce the Aggregate Amount of Insurance for the other policies identified in Section 1 of this endorsement.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 12 endorsement is only available for loan policies. It is intended for use with fully improved commercial or residential property, but it is rarely used in connection with residential property. This endorsement is sometimes referred to as the “aggregation,” “tie-in,” “spreader,” or “cluster” endorsement. This addresses those situations where the lender is making one loan that will be secured by multiple, independent, improved properties and the lender desires to apply the total aggregate liability of all the policies issued to one or more of the independent properties in the event of a claim. The insured properties need not be located in the same counties or states. This endorsement is not applicable if: (1) all of the properties are described and insured under one loan policy, (such as a policy which insures a fee parcel (a shopping center) and a separate easement parcel (reciprocal access easement)) (2) all of the policies are not issued by the same title insurance company, or (3) the same form of policy is not being used for each property. It is important to note that this endorsement may not be available if some of the properties are vacant and/or are under development. Please also note that if multiple states are involved in the transaction then there may be state laws or regulations which prohibit or limit the use of this endorsement in a given state. As an example, some states prohibit its use when aggregating policies covering property in another state or states.

ALTA 12-06 endorsement is only available for loan policies. It is intended for use with fully improved commercial or residential property, but it is rarely used in connection with residential property. This endorsement is sometimes referred to as the “aggregation,” “tie-in,” “spreader,” or “cluster” endorsement. This addresses those situations where the lender is making one loan that will be secured by multiple, independent, improved properties and the lender desires to apply the total aggregate liability of all the policies issued to one or more of the independent properties in the event of a claim. The insured properties need not be located in the same counties or states. This endorsement is not applicable if: (1) all of the properties are described and insured under one loan policy, (such as a policy which insures a fee parcel (a shopping center) and a separate easement parcel (reciprocal access easement)) (2) all of the policies are not issued by the same title insurance company, or (3) the same form of policy is not being used for each property. It is important to note that this endorsement may not be available if some of the properties are vacant and/or are under development. Please also note that if multiple states are involved in the transaction then there may be state laws or regulations which prohibit or limit the use of this endorsement in a given state. As an example, some states prohibit its use when aggregating policies covering property in another state or states.

Upon the exercise by the Company of either option provided for in Condition 7.a., the Company's liability, and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation.

5. Condition 8 is restated in its entirety to read:

8. **CONTRACT OF INDEMNITY; DETERMINATION AND EXTENT OF LIABILITY**

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by an Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy. This policy is not an abstract of the Title, report of the condition of the Title, legal opinion, opinion of the Title, or other representation of the status of the Title. All claims asserted under this policy are based in contract and are restricted to the terms and provisions of this policy. The Company is not liable for any claim alleging negligence or negligent misrepresentation arising from or in connection with this policy or the determination of the insurability of the Title.

- a. The extent of liability of the Company for loss or damage under this policy does not exceed the least of:
 - i. the Aggregate Amount of Insurance for the State where the Land is located;

- ii. the Indebtedness;
 - iii. the difference between the fair market value of the Title, as insured, and the fair market value of the Title subject to the matter insured against by this policy; or
 - iv. if a Government Mortgage Agency or Instrumentality is the Insured Claimant, the amount it paid in the acquisition of the Title or the Insured Mortgage or in satisfaction of its insurance contract or guaranty relating to the Title or the Insured Mortgage.
- b. Fair market value of the Title in Condition 8.a.iii. is calculated using either:
 - i. the date the Insured acquires the Title as a result of a foreclosure or deed in lieu of foreclosure of the Insured Mortgage; or

 - c. If the Company pursues its rights under Condition 5.b. and is unsuccessful in establishing the Title or the lien of the Insured Mortgage, as insured, the Insured Claimant may, by written notice given to the Company, elect, as an alternative to the dates set forth in Condition 8.b., to use either the date the settlement, action, proceeding, or other act described in Condition 5.b. is concluded or the date the notice of claim required by Condition 3 is received by the Company as the date for calculating the fair market value of the Title in Condition 8.a.iii.
 - d. In addition to the extent of liability for loss or damage under Conditions 8.a. and 8.c., the Company will also pay the costs, attorneys' fees, and expenses incurred in accordance with Conditions 5 and 7.

6. Condition 10 is restated in its entirety to read:

10. REDUCTION OR TERMINATION OF INSURANCE

- a. All payments under this policy, except payments made for costs, attorneys' fees, and expenses, reduce the applicable Aggregate Amount of Insurance by the amount of the payment. However, any payment made by the Company prior to the acquisition of the Title as provided in Condition 2 does not reduce the Aggregate Amount of Insurance afforded under this endorsement, except to the extent that the payment reduces the Indebtedness.
- b. If this policy insures the Title to Land located in a state identified in Section 3.b. of this endorsement:
 - i. all payments under this policy, except payments made for costs, attorneys' fees, and expenses, reduce the Aggregate Amount of Insurance by the amount of the payment; but
 - ii. a payment made for loss or damage on Land insured in one of the policies identified in Section 1 on Land located outside this state

does not reduce the Aggregate Amount of Insurance in Section 3.b. of this endorsement until the Aggregate Amount of Insurance in Section 3.a. is reduced below the Aggregate Amount of Insurance in Section 3.b.

- c. When the Title is acquired by the Insured as a result of foreclosure or deed in lieu of foreclosure, the amount credited against the Indebtedness does not reduce the Aggregate Amount of Insurance.

 - b. "Lease": the lease described in Schedule A.
 - c. "Leasehold Estate": the right of possession granted in the Lease for the Lease Term.
 - d. "Lease Term": the duration of the Leasehold Estate, as set forth in the Lease, including any renewal or extended term if a valid option to renew or extend is contained in the Lease.
 - e. "Personal Property": property, in which and to the extent the Insured has rights, located on, or affixed to the Land on or after Date of Policy that by law does not constitute real property because (i) of its character and manner of attachment to the Land and (ii) the property can be severed from the Land without causing material damage to the property or to the Land.
 - f. "Remaining Lease Term": the portion of the Lease Term remaining after the Insured has been Evicted.
 - g. "Tenant Leasehold Improvements": Those improvements, in which and to the extent the Insured has rights, including landscaping, required, or permitted to be built on the Land by the Lease that have been built at the Insured's expense or in which the Insured has an interest greater than the right to possession during the Lease Term.

2. Valuation of Estate or Interest Insured:

If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Eviction of the Insured, then, as to that portion of the Land from which the Insured is Evicted, that value shall consist of the value for the Remaining Lease Term of the Leasehold Estate and any Tenant Leasehold Improvements existing on the date of the Eviction. The Insured Claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements affected by a defect insured against by the policy valued either as a whole or separately. In either event, this

determination of value shall take into account rent no longer required to be paid for the Remaining Lease Term.

3. Additional items of loss covered by this endorsement:

If the Insured is Evicted, the following items of loss, if applicable to that portion of the Land from which the Insured is Evicted shall be included, without duplication, in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title determined pursuant to Section 2 of this endorsement, any other endorsement to the policy, or Section 8(a)(ii) of the Conditions:

- a. The reasonable cost of (i) removing and relocating any Personal Property that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, (ii) transportation of that Personal Property for the initial one hundred miles incurred in connection with the relocation, (iii) repairing the Personal Property damaged by reason of the removal and relocation, and (iv) restoring the Land to the extent damaged as a result of the removal and relocation of the Personal Property and required of the Insured solely because of the Eviction.
- b. Rent or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate may be obligated to pay to any person having paramount title to that of the lessor in the Lease.
- c. The amount of rent that, by the terms of the Lease, the Insured must continue to pay to the lessor after Eviction with respect to the portion of the Leasehold Estate and Tenant Leasehold Improvements from which the Insured has been Evicted.
- d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease or sublease permitted by the Lease and made by the Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.
- e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease permitted by the Lease and made by the Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.
- f. The reasonable cost to obtain land use, zoning, building, and occupancy permits, architectural and engineering services and environmental testing and reviews for a replacement leasehold reasonably equivalent to the Leasehold Estate.
- g. If Tenant Leasehold Improvements are not substantially completed at the time of Eviction, the actual cost incurred by the Insured, less the salvage value, for the Tenant Leasehold Improvements up to the time of Eviction. Those costs include costs incurred to obtain land use, zoning, building, and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping.

4. This endorsement does not insure against loss, damage, or costs of remediation (and the Company will not pay costs, attorneys' fees or expenses) resulting from environmental damage or contamination.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. ALTA 13-06 endorsement is only available for owner's policies. It is intended for use with improved or unimproved commercial or residential property. This endorsement adds certain important terms and conditions relating to valuation of the insured leasehold estate and additional items of loss that may be applicable in computing a loss covered under the terms of the policy due to the nature of the leasehold estate.  - a. The invalidity or unenforceability of the lien of the Insured Mortgage resulting from any provisions of the Agreement that provide for (i) interest on interest, (ii) changes in the rate of interest, or (iii) the addition of unpaid interest to the principal portion of the Indebtedness.
 - b. Lack of priority of the lien of the Insured Mortgage as security for the Indebtedness, including any unpaid interest that was added to principal in accordance with any provisions of the Agreement, interest on interest, or interest as changed in accordance with the provisions of the Insured Mortgage, which lack of priority is caused by (i) changes in the rate of interest, (ii) interest on interest, or (iii) increases in the Indebtedness resulting from the addition of unpaid interest. "Interest," as used in this paragraph 3, shall include lawful interest based on appreciated value.
4. This endorsement does not insure against loss or damage (and the Company will not pay costs, attorneys' fees, or expenses) resulting from:
 - a. The invalidity, unenforceability or lack of priority of the lien of the Insured Mortgage as security for any Advance made after a Petition for Relief under the Bankruptcy Code (11 U.S.C.) has been filed by or on behalf of the mortgagor;
 - b. The lien of real estate taxes or assessments on the Title imposed by governmental authority arising after Date of Policy;
 - c. The lack of priority of the lien of the Insured Mortgage as security for any Advance to a federal tax lien, which Advance is made after the earlier of (i) actual knowledge of the Insured that a federal tax lien was filed against the mortgagor, or (ii) the expiration, after notice of a federal tax lien filed against the mortgagor, of any grace period for making disbursements with priority over the federal tax lien provided in the Internal Revenue Code (26 U.S.C.);
 - d. Any federal or state environmental protection lien; or
 - e. Usury, or any consumer credit protection or truth-in-lending law. [; or
 - f. Any mechanic's or materialmen's lien.]
5. The Indebtedness includes Advances.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 14.3-06 endorsement is only available for loan policies. It is intended for use with improved residential property in connection with a reverse mortgage. Like the ALTA 14-06 endorsement, this endorsement provides coverage for loss or damage arising out of the invalidity, unenforceability, or lack of priority of the lien of the Insured Mortgage (with certain exceptions) due to the provisions of the Insured Mortgage which allow for future advances of principal, including re-advances, a variable interest rate, interest on interest, or the addition of unpaid interest to the principal. However, in addition, this endorsement also provides coverage against the invalidity or unenforceability of the Insured Mortgage if the mortgagor(s) fail to be at least 62 years of age as of the Date of Policy.

ALTA ENDORSEMENT 15-06
Non-Imputation – Full Equity Transfer

Adopted 6/17/2006

The Company agrees that it will not assert the provisions of Exclusions from Coverage 3(a), (b), or (e) to deny liability for loss or damage otherwise insured against under the terms of the policy solely by reason of the action or inaction or Knowledge, as of Date of Policy, of

[identify exiting or contributing partner(s) of the insured partnership entity, member(s) or manager(s) of the insured limited liability company entity, or officer(s) and/or director(s) of the insured corporate entity]

whether or not imputed to the Insured by operation of law, provided

[identify the “incoming” partners, members, or shareholders]

acquired the Insured as a purchaser for value without Knowledge of the asserted defect, lien, encumbrance, adverse claim, or other matter insured against by the policy.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 15-06 endorsement is only available for a new owner's policy in favor of the current title vestee entity where 100% of the equity interest in the vestee entity is being purchased. In this type of transaction there is no transfer of the title recorded in the Public Records. It is intended for use in connection with improved or unimproved residential or commercial property but is most commonly used in commercial transactions. This endorsement provides a partial waiver of Exclusions 3(a), 3(b), and 3(e) with regard to loss or damage that would be otherwise excluded on account of the action, inaction, or Knowledge of certain specified persons (the "Current Equity Sellers") in connection with the entity that is vested in Title. This endorsement treats the person(s) acquiring the equity interest in the vestee entity (the "Acquiring Persons") as though they were bona-fide purchasers for value, even though there is no transfer of the Title and therefore the bona-fide purchaser doctrine does not apply. This endorsement tells the Acquiring Persons that we will not deny coverage for a covered matter if the matter giving rise to the claim was known to the Current Equity Sellers but not known to the Acquiring Persons. If less than 100% of the equity interest is being purchased the ALTA 15.1-06 endorsement should be used instead.

ALTA ENDORSEMENT 15.1-06
Non-Imputation – Additional Insured

Adopted 6/17/2006

For purposes of the coverage provided by this endorsement,

[identify the “incoming” partner, member, or shareholder]

(“Additional Insured”) is added as an Insured under the policy. By execution below, the Insured named in Schedule A acknowledges that any payment made under this endorsement shall reduce the Amount of Insurance as provided in Section 10 of the Conditions.

The Company agrees that it will not assert the provisions of Exclusions from Coverage 3(a), (b), or (e) to deny liability for loss or damage otherwise insured against under the terms of the policy solely by reason of the action or inaction or Knowledge, as of Date of Policy, of

[identify, as applicable, the existing and/or exiting partner(s) of the insured partnership entity, member(s) or manager(s) of the insured limited liability company entity, or officer(s) and/or director(s) of the insured corporate entity]

whether or not imputed to the Additional Insured by operation of law, to the extent of the percentage interest in the Insured acquired by Additional Insured as a purchaser for value without Knowledge of the asserted defect, lien, encumbrance, adverse claim, or other matter insured against by the policy.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

INSURED

ALTA 15.1-06 endorsement is only available for a new owner's policy in favor of the current title vestee entity where less than 100% of the equity interest in the vestee entity is being purchased. In this type of transaction there is no transfer of the title recorded in the Public Records. It is intended for use with improved or unimproved residential or commercial property but is most commonly used in commercial transactions. This endorsement provides a partial waiver of Exclusions 3(a), 3(b), and 3(e) with regard to loss or damage that would be otherwise excluded on account of the action, inaction, or Knowledge of certain specified persons (the "Exiting or Remaining Participants") in connection with the entity that is vested in Title. This endorsement treats the person(s) acquiring the equity interest in the vestee entity (the "Additional Insureds") as though they were bona-fide purchasers for value, even though there is no transfer of the Title and therefore the bona-fide purchaser doctrine does not apply. This endorsement tells the Additional Insureds that we will not deny coverage for a covered matter if the matter giving rise to the claim was known to the Exiting or Remaining Participants but not known to the Additional Insureds. This endorsement insures the Additional Insured named in the endorsement, but not the vestee entity that is named as the Insured in the policy. The Insured vestee entity is required to sign the endorsement acknowledging that any payment made to the Additional Insured under this endorsement will reduce the Amount of Insurance under the Conditions of the policy. If the person(s) acquiring the equity interest prefer to have a separate policy issued to them which names only these person(s) as the Insured under the policy, then please see the ALTA 15.2-06 for the appropriate endorsement.

ALTA ENDORSEMENT 15.2-06
Non-Imputation – Partial Equity Transfer

Adopted 6/17/2006

The Company agrees that it will not assert the provisions of Exclusions from Coverage 3(a), (b), or (e) to deny liability for loss or damage otherwise insured against under the terms of the policy solely by reason of the action or inaction or Knowledge, as of Date of Policy, of

[identify, as applicable, the existing and/or exiting partner(s) of the vestee partnership entity, member(s) or manager(s) of the vestee limited liability company entity, or officer(s) and/or director(s) of the vestee corporate entity]

whether or not imputed to the entity identified in paragraph 3 of Schedule A or to the Insured by operation of law, but only to the extent that the Insured acquired the Insured's interest in the entity as a purchaser for value without Knowledge of the asserted defect, lien, encumbrance, adverse claim, or other matter insured against by the policy.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 15.2-06 endorsement is only available for a new owner's policy in favor of the persons acquiring less than 100% of the equity interest in the vestee entity. In this type of transaction, there is no transfer of the title recorded in the Public Records. It is intended for use with improved or unimproved residential or commercial property but is most commonly used in commercial transactions. This endorsement provides a partial waiver of Exclusions 3(a), 3(b), and 3(e) with regard to loss or damage that would be otherwise excluded on account of the action, inaction, or Knowledge of certain specified persons (the "Exiting or Remaining Participants") in connection with the entity that is vested in Title. This endorsement treats the person(s) acquiring the equity interest in the vestee entity (the "Acquiring Persons") as though they were bona-fide purchasers for value, even though there is no transfer of the Title and therefore the bona-fide purchaser doctrine does not apply. This endorsement tells the Acquiring Persons, but not the current title vestee entity, that we will not deny coverage for a covered matter if the matter giving rise to the claim was known to the Exiting or Remaining Participants but not known to the Acquiring Persons. The Acquiring Persons are named as Insureds in Schedule A of the Policy rather than the current title vestee entity.

ALTA ENDORSEMENT 16-06
Mezzanine Financing

Adopted 6/17/2006

1. The Mezzanine Lender is: _____ and each successor in ownership of its loan ("Mezzanine Loan") reserving, however, all rights and defenses as to any successor that the Company would have had against the Mezzanine Lender, unless the successor acquired the indebtedness as a purchaser for value without Knowledge of the asserted defect, lien, encumbrance, adverse claim, or other matter insured against by this policy as affecting Title.
2. The Insured
 - a. assigns to the Mezzanine Lender the right to receive any amounts otherwise payable to the Insured under this policy, not to exceed the outstanding indebtedness under the Mezzanine Loan; and
 - b. agrees that no amendment of or endorsement to this policy can be made without the written consent of the Mezzanine Lender.
3. The Company does not waive any defenses that it may have against the Insured, except as expressly stated in this endorsement.
4. In the event of a loss under the policy, the Company agrees that it will not assert the provisions of Exclusions from Coverage 3(a), (b) or (e) to refuse payment to the Mezzanine Lender solely by reason of the action or inaction or Knowledge, as of Date of Policy, of the Insured, provided
 - a. the Mezzanine Lender had no Knowledge of the defect, lien, encumbrance, or other matter creating or causing loss on Date of Policy.
 - b. this limitation on the application of Exclusions from Coverage 3(a), (b) and (e) shall
 - i. apply whether or not the Mezzanine Lender has acquired an interest (direct or indirect) in the Insured either on or after Date of Policy, and
 - ii. benefit the Mezzanine Lender only without benefiting any other individual or entity that holds an interest (direct or indirect) in the Insured or the Land.
5. In the event of a loss under the Policy, the Company also agrees that it will not deny liability to the Mezzanine Lender on the ground that any or all of the ownership interests (direct or indirect) in the Insured have been transferred to or acquired by the Mezzanine Lender, either on or after the Date of Policy.
6. The Mezzanine Lender acknowledges
 - a. that the Amount of Insurance under this policy shall be reduced by any amount the Company may pay under any policy insuring a mortgage to which exception is taken

in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is hereafter executed by an Insured and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment under this policy; and

- b. that the Company shall have the right to insure mortgages or other conveyances of an interest in the Land, without the consent of the Mezzanine Lender.
- 7. If the Insured, the Mezzanine Lender, or others have conflicting claims to all or part of the loss payable under the Policy, the Company may interplead the amount of the loss into Court. The Insured and the Mezzanine Lender shall be jointly and severally liable for the Company's reasonable cost for the interpleader and subsequent proceedings, including attorneys' fees. The Company shall be entitled to payment of the sums for which the Insured and Mezzanine Lender are liable under the preceding sentence from the funds deposited into Court, and it may apply to the Court for their payment.
- 8. Whenever the Company has settled a claim and paid the Mezzanine Lender pursuant to this endorsement, the Company shall be subrogated and entitled to all rights and remedies that the Mezzanine Lender may have against any person or property arising from the Mezzanine Loan. However, the Company agrees with the Mezzanine Lender that it shall only exercise these rights, or any right of the Company to indemnification, against the Insured, the Mezzanine Loan borrower, or any guarantors of the Mezzanine Loan after the Mezzanine Lender has recovered its principal, interest, and costs of collection.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

This endorsement is intended for situations where the Mezzanine Lender is taking as security a pledge of 100% of the equity interest in the insured Titleholding Entity.  - a. "Collateral" means all property, including the Land, given as security for the Indebtedness.
 - b. "Material Impairment Amount" means the amount by which any matter covered by the policy for which a claim is made diminishes the value of the Collateral below the Indebtedness.
2. In the event of a claim resulting from a matter insured against by the policy, the Company agrees to pay that portion of the Material Impairment Amount that does not exceed the extent of liability imposed by Section 8 of the Conditions without requiring:
 - a. maturity of the Indebtedness by acceleration or otherwise,
 - b. pursuit by the Insured of its remedies against the Collateral, or
 - c. pursuit by the Insured of its remedies under any guaranty, bond or other insurance policy.
3. Nothing in this endorsement shall impair the Company's right of subrogation. However, the Company agrees that its right of subrogation shall be subordinate to the rights and remedies of the Insured. The Company's right of subrogation shall include the right to recover the amount paid to the Insured pursuant to Section 2 of this endorsement from any debtor or guarantor of the Indebtedness, after payment or other satisfaction of the remainder of the Indebtedness and other obligations secured by the lien of the Insured Mortgage. The Company shall have the right to recoup from the Insured Claimant any amount received by it in excess of the Indebtedness up to the amount of the payment under Section 2.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 20-06 endorsement may only be issued in connection with loan policies. It is intended to be issued on portfolios of improved or unimproved commercial properties, where many different real estate projects in different locations serve as different pieces of collateral for a loan. The endorsement is not applicable unless the collateral for the loan consists of more than one independent parcel. For example, this endorsement is not appropriate where the collateral consists of a fee parcel and its associated access easement, or two adjacent fee parcels which share a single building between them. This endorsement changes the loan policy provisions by removing the requirement that the Insured foreclose on all of the collateral before the Company will pay a claim arising from a covered matter on one or more insured parcels, but only to the extent that the value of the collateral has fallen below the amount of the Indebtedness as a result of the covered matter. Therefore, it is important to note that this endorsement is not a standard endorsement request and requires special underwriting attention. Also, because of the way the endorsement changes the loan policy provisions, issuance of this endorsement may decrease the Company's willingness to provide certain types of coverages that lenders are routinely accustomed to receiving.

ALTA 28.2-06 endorsement is available for both owner's and loan policies. It is intended for use on improved commercial or residential property only. This endorsement is not applicable if the property is vacant. The coverage under this endorsement is similar to the ALTA 28.1-06, however this endorsement allows for a transaction-specific definition of "Improvements" which may lead to broader or narrower coverage than that afforded by the ALTA 28.1-06 depending on the itemized list of improvements and the nature of the possible encroachments. The enforced removal coverage afforded by this endorsement may be removed or limited as to a known encroachment if the known encroachment is identified as excepted from coverage in paragraph 4 of the endorsement.

It is important to note that the issuance of this endorsement may require additional research and review of an ALTA-NPS survey of the property prior to agreeing to issue the endorsement.

ALTA 28.3-06 endorsement is available for both owner's and loan policies. It is intended for use on commercial or residential property that is either vacant and being developed or improved and having additional improvements constructed. The coverages under this endorsement are similar to the ALTA 28.1-06, however, this endorsement is modified to provide coverage for "Future Improvements" (as defined in the endorsement) which are based upon "Plans" (as defined in the endorsement). This endorsement is typically requested by a lender on a construction loan policy when the lender requires the same coverage as under an ALTA 28.1-06 and wants to know that the coverages provided would extend to the planned improvements on the property. The enforced removal coverage afforded by this endorsement may be removed or limited as to a known encroachment if the known encroachment is identified as excepted from coverage in paragraph 4 of the endorsement.

It is important to note that the issuance of this endorsement may require extensive research and review of an ALTA-NPS survey of the property prior to agreeing to issue the endorsement. This endorsement also requires that the Company be provided the detailed building and site improvement plans for the contemplated improvements for review.

ALTA ENDORSEMENT 31-06
Severable Improvements Endorsement

Adopted 2/3/2011

1. As used in this endorsement, "Severable Improvement" means property affixed to the Land on or after Date of Policy that by law does not constitute real property because:
 - a. of its character and manner of attachment to the Land; and
 - b. it can be severed from the Land without causing material damage to it or to the Land.

2. In the event of a loss by reason of a defect, lien, encumbrance, or other matter covered by this Policy ("Defect"), the calculation of the loss shall include (but not to the extent that these items of loss are included in the valuation of the Title determined pursuant to Section 8 of the Conditions or any other endorsement to the Policy):
 - a. the diminution in value of the Insured's interest in any Severable Improvement resulting from the Defect, reduced by the salvage value of the Severable Improvement; and
 - b. the reasonable cost actually incurred by the Insured in connection with the removal or relocation of the Severable Improvement resulting from the Defect and the cost of transportation of that Severable Improvement for the initial one hundred miles incurred in connection with the relocation.

3. This endorsement relates solely to the calculation of the Insured's loss resulting from a claim based on a defect, lien, encumbrance, or other matter otherwise insured against by the Policy. This Policy does not insure against loss or damage (and the Company will not pay any costs, attorneys' fees or expenses) relating to:
 - a. the attachment, perfection, or priority of any security interest in the Severable Improvement;
 - b. the vesting or ownership of title to or rights in any Severable Improvement;
 - c. any defect in or lien or encumbrance on the title to any Severable Improvement;
or
 - d. the determination of whether any specific property is real or personal in nature.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 31-06 endorsement is available for both owner's and loan policies. It is intended for use on commercial property that is improved, in whole or in part, with one or more Severable Improvements. A Severable Improvement is defined in the endorsement as property that is affixed to the Land on or after Date of Policy that by law does not constitute real property because of its character and the manner of attachment to the Land, and that it can be severed from the Land without causing material damage to it or to the Land. This endorsement allows the Insured to include the reduction in value of the Insured's interest in a Severable Improvement and the reasonable costs incurred in connection with removal or relocation of the Severable Improvement, including the cost of transportation for the first hundred miles, in the calculation of the Insured's loss under a claim covered by the title policy (but only to the extent that these items are not already included in the valuation of the Title under the Conditions of the policy or any other endorsement). Because of the inclusion of a Severable Improvement in the calculation of loss, this endorsement is appropriate in transactions where there are substantial Severable Improvements located on the Land and the liability amount in the policy includes the value of any Severable Improvement. An example of such a transaction would be a paper mill with large machines attached to the Land. Note that this endorsement does not provide coverage regarding: the attachment, perfection, or priority of any security interest in the Severable Improvement; the vesting and ownership of title in any Severable Improvement; any defect, lien, or encumbrance on the title to any Severable Improvement; or the determination of whether any property is real or personal in nature.

**This endorsement is issued as part of
Policy Number _____
issued by
BLANK TITLE INSURANCE COMPANY**

1. Covered Risk 11.a. of this policy is deleted.
2. The insurance [for Construction Loan Advances] added by Section 3 of this endorsement is subject to the exclusions in Section 4 of this endorsement and the Exclusions from Coverage in the policy, the provisions of the Conditions, and the exceptions contained in Schedule B. For the purposes of this endorsement and each subsequent Disbursement Endorsement:
 - a. "Construction Loan Advance": An advance that constitutes Indebtedness made on or before the Date of Coverage for the purpose of financing in whole or in part the construction of improvements on the Land.
 - b. "Date of Coverage": _____ [Drafting Instructions: Insert a specific date], unless the Company sets a different Date of Coverage by an ALTA 33-06 Disbursement Endorsement issued at the discretion of the Company.
 - c. "Mechanic's Lien": Any statutory lien or claim of lien under State law, affecting the Title, that arises from services provided, labor performed, or materials or equipment furnished.
3. The Company insures against loss or damage sustained by the Insured by reason of:
 - a. The invalidity or unenforceability of the lien of the Insured Mortgage as security for each Construction Loan Advance made on or before the Date of Coverage;
 - b. The lack of priority of the lien of the Insured Mortgage as security for each Construction Loan Advance made on or before the Date of Coverage, over any lien or encumbrance on the Title recorded in the Public Records and not shown in Schedule B; and
 - c. The lack of priority of the lien of the Insured Mortgage, as security for each Construction Loan Advance made on or before the Date of Coverage over any Mechanic's Lien, if notice of the Mechanic's Lien is not filed or recorded in the Public Records, but only to the extent that the charges for the services, labor, materials, or equipment for which the Mechanic's Lien is claimed were designated for payment in the documents supporting a Construction Loan Advance disbursed by or on behalf of the Insured on or before the Date of Coverage.
4. This policy does not insure against loss or damage and the Company will not pay costs, attorneys' fees, or expenses by reason of any lien or claim of lien arising from services, labor, material, or equipment:
 - a. Furnished after the Date of Coverage; or
 - b. Not designated for payment in the documents supporting a Construction Loan Advance disbursed by or on behalf of the Insured on or before the Date of Coverage.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

ALTA 32 series of endorsements are only available for loan policies where the underlying Indebtedness is a construction loan with “Construction Loan Advances”, (as defined in the endorsement) occurring after Date of Policy. The ALTA 32-06 series endorsements may be issued on commercial or residential properties, whether improved or unimproved. These endorsements provide construction lenders coverage against mechanics’ lien risk arising out of services, labor, material, or equipment performed or supplied in the past. These endorsements are intended to work as combinations – one endorsement from the ALTA 32-06, 32.1-06, or 32.2-06 group (the “ALTA 32 Series”) is paired with the ALTA 33-06 endorsement. This combination of endorsements alters the provisions of the loan policy with regard to coverage for mechanics’ liens and future advances in construction loans which will contain multiple advances. Only one endorsement from the ALTA 32 Series is issued, but new ALTA 33-06 endorsements are typically issued in connection with each Construction Loan Advance. All of the ALTA 32 series endorsements provide coverage against loss or damage resulting from the (i) invalidity or unenforceability of the lien of the Insured Mortgage as security for each Construction Loan Advance made on or before a specified date and (ii) lack of priority of the lien of the Insured Mortgage as security for each Construction Loan Advance made on or before Date of Coverage over any lien or encumbrance recorded in the Public Records and not excepted from coverage. In addition, the ALTA 32-06 provides coverage against loss or damage arising from the lack of priority of the lien of the Insured Mortgage as security for each Construction Loan Advance made on or before Date of Coverage over mechanics’ liens that have not been recorded in the Public Records, but only if the charges for the services, labor, materials, or equipment giving rise to the mechanics’ lien were designated for payment in documents supporting a Construction Loan Advance disbursed by or on behalf of the Insured on or before the Date of Coverage defined in the endorsement.

Adopted 8/1/2011

1. As used in this endorsement "Identified Risk" means: [insert description of the title defect, restriction encumbrance or other matter] described in Exception _____ of Schedule B.
2. The Company insures against loss or damage sustained by the Insured by reason of:
 - a. A final order or decree enforcing the Identified Risk in favor of an adverse party; or
 - b. The release of a prospective purchaser or lessee of the Title or lender on the Title from the obligation to purchase, lease, or lend as a result of the Identified Risk, but only if
 - i. there is a contractual condition requiring the delivery of marketable title, and
 - ii. neither the Company nor any other title insurance company is willing to insure over the Identified Risk with the same conditions as in this endorsement.
3. The Company will also pay the costs, attorneys' fees, and expenses incurred in defense of the Title by reason of the Identified Risk insured against by Paragraph 2 of this endorsement, but only to the extent provided in the Conditions.
4. This endorsement does not obligate the Company to establish the Title free of the Identified Risk or to remove the Identified Risk, but if the Company does establish the Title free of the Identified Risk or removes it, Section 9(a) of the Conditions applies.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. This endorsement provides coverage against loss or damage resulting from a final order or decree enforcing a specified defect, lien, or encumbrance (the "Identified Risk"). It provides a modified form of "Unmarketable Title" coverage against loss or damage resulting from the release of a prospective purchaser, tenant, or lender from its obligation to buy, lease, or lend as a result of the Identified Risk due to the violation of a contractual condition to deliver marketable title, but only if neither the Company nor any other title insurer will insure over the Identified Risk on the same conditions as set forth in the endorsement. This endorsement also provides coverage for defense costs incurred in defending the Title against the Identified Risk, but it does not obligate the Company to establish the Title free of the Identified Risk or to remove the Identified Risk. This endorsement might be applicable when there is a defect, lien, or encumbrance on the title which is unenforceable, but which is unreleased in the Public Records (for example, a no-liquor covenant); or there is a monetary lien for which you have satisfactory indemnification or security (for example, a mechanics' lien which has been bonded off) but which remains technically unreleased in the Public Records.

BLANK TITLE INSURANCE COMPANY

By: _____
[Authorized Signatory]

ALTA 34.1 endorsement is available for both owner's and loan policies. It is intended for use with improved or unimproved commercial or residential property. This endorsement provides coverage against loss or damage resulting from a final order or decree enforcing a specified defect, lien, or encumbrance (the "Identified Risk"). It provides a modified form of "Unmarketable Title" coverage against loss or damage resulting from the release of a prospective purchaser, tenant, or lender from its obligation to buy, lease, or lend as a result of the Identified Risk due to the violation of a contractual condition to deliver marketable title, but only if neither the Company nor any other title insurer will insure over the Identified Risk on the same conditions as set forth in the endorsement. This endorsement also provides coverage for defense costs incurred in defending the Title against the Identified Risk, but it does not obligate the Company to establish the Title free of the Identified Risk or to remove the Identified Risk. This endorsement might be applicable when there is a defect, lien, or encumbrance on the title which is unenforceable, but which is unreleased in the Public Records (for example, a no-liquor covenant); or there is a monetary lien for which you have satisfactory indemnification or security (for example, a mechanics' lien which has been bonded off) but which remains technically unreleased in the Public Records.

ALTA 35-06 endorsement is available for both owner's and loan policies. It is intended for use only on improved commercial or residential property. If this coverage is required for planned future improvements, refer to the ALTA 35.3-06 endorsement. This endorsement provides coverage against enforced removal or alteration of certain surface improvements due to the exercise by a mineral or any other subsurface substance (collectively, "Subsurface Substance") estate owner of the right to use the surface of the Land to extract any Subsurface Substance. This endorsement defines "Improvement" as only the building(s) located on the Land at Date of Policy. If coverage is requested to include improvements beyond the existing building(s) then refer to the ALTA 35.1 or ALTA 35.2 for an expanded definition of "Improvements".

ALTA 35.1-06 endorsement is available for both owner's and loan policies. It is intended for use only on improved commercial or residential property. If this coverage is required for planned future improvements, refer to the ALTA 35.3-06 endorsement. This endorsement provides coverage against enforced removal or alteration of certain surface improvements due to the exercise by a mineral or any other subsurface substance (collectively, "Subsurface Substance") estate owner of the right to use the surface of the Land to extract any Subsurface Substance. This endorsement defines "Improvement" as the building(s) located on the Land at Date of Policy, as well as other improvements affixed to the Land at Date of Policy, such as walkways and parking areas, but excludes coverage for crops, landscaping, lawns, shrubbery, or trees.

3. Valuation of Title as an Integrated Project:
- a. If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Eviction, then, as to that portion of the Land from which the Insured is Evicted, that value shall consist of (i) the value of (A) the Leasehold Estate or the Easement Interest for the Remaining Term, as applicable, (B) any Electricity Facility existing on the date of the Eviction, and, if applicable, (ii) any reduction in value of another insured Lease or Easement as computed in Section 3(b) below.

- a. In the event of an Eviction, the calculation of the loss shall include (but not to the extent that these items of loss are included in the valuation of the Title determined pursuant to Section 8 of the Conditions or any other provision of this or any other endorsement) the diminution in value of the Insured's interest in any Severable Improvement resulting from the Eviction, reduced by the salvage value of the Severable Improvement.

- b. Rent, easement payments or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate or the Easement Interest, as applicable, may be obligated to pay to any person having paramount title to that of the lessor in the Lease or the grantor in the Easement, as applicable.

- c. The amount of rent, easement payments or damages that, by the terms of the Lease or the Easement, as applicable, the Insured must continue to pay to the lessor or grantor after Eviction with respect to the portion of the Leasehold Estate or Easement Interest, as applicable, from which the Insured has been Evicted.
 - d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease, sublease or easement specifically permitted by the Lease or Easement, as applicable, and made by the Insured as lessor or grantor of all or part of the Leasehold Estate or Easement Interest, as applicable.
 - e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees or easement or subeasement grantees on account of the breach of any lease or sublease or easement or subeasement specifically permitted by the Lease or the Easement, as applicable, and made by the Insured as lessor or grantor of all or part of the Leasehold Estate or Easement Interest, as applicable.
 - f. The reasonable cost to obtain land use, zoning, building, and occupancy permits, architectural and engineering services and environmental testing and reviews for a replacement leasehold reasonably equivalent to the Leasehold Estate or a replacement easement reasonably equivalent to the Easement Interest, as applicable.

Those costs include costs incurred to construct and fabricate the Electricity Facility, obtain land use, zoning, building, and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping, and cancellation fees related to the foregoing.
6. This endorsement does not insure against loss, damage, or costs of remediation (and the Company will not pay costs, attorneys' fees, or expenses) resulting from environmental damage or contamination.

- a. The reasonable cost of: (i) disassembling, removing, relocating and reassembling any Severable Improvement that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, to the extent necessary to restore and make functional the integrated project; (ii) transportation of that Severable Improvement for the initial one hundred miles incurred in connection with the restoration or relocation; and (iii) restoring the Land to the extent damaged as a result of the disassembly, removal and relocation of the Severable Improvement and required of the Insured solely because of the Eviction.

- e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease specifically permitted by the Lease and made by the Insured as lessor of all or part of the Leasehold Estate.

 - g. If any Electricity Facility is not substantially completed at the time of Eviction, the actual cost incurred by the Insured up to the time of Eviction, less the salvage value, for the Electricity Facility located on that portion of the Land from which the Insured is Evicted. Those costs include costs incurred to construct and fabricate the Electricity Facility, obtain land use, zoning, building and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping, and cancellation fees related to the foregoing.
6. This endorsement does not insure against loss, damage or costs of remediation (and the Company will not pay costs, attorneys' fees, or expenses) resulting from environmental damage or contamination.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. Similar to the ALTA 13-06, this endorsement states how loss or damage will be calculated if the Insured is Evicted from all or a portion of the Land and includes sections on valuing the Title and Severable Improvements, as well as additional items of loss that are covered by this endorsement.

ALTA ENDORSEMENT 36.8-06
Energy Project – Fee Estate – Loan Policy

Adopted 12/1/2014

1. The insurance provided by this endorsement is (a) only effective for the parcel or those parcels of the Land as to which the Title is fee simple and (b) subject to the exclusions in Section 6 of this endorsement and the Exclusions from Coverage, the Exceptions from Coverage contained in Schedule B, and the Conditions in the policy.
2. For purposes of this endorsement only:
 - (a) “Constituent Parcel” means one of the parcels of Land described in Schedule A that together with any other parcel or parcels of Land described in Schedule A constitute one integrated project.
 - (b) “Electricity Facility” means an electricity generating facility which may include one or more of the following: a substation; a transmission, distribution or collector line; an interconnection, inverter, transformer, generator, turbine, array, solar panel, or module; a circuit breaker, footing, tower, pole, cross-arm, guy line, anchor, wire, control system, communications or radio relay system, safety protection facility, road, and other building, structure, fixture, machinery, equipment, appliance, and item associated with or incidental to the generation, conversion, storage, switching, metering, step-up, step-down, inversion, transmission, conducting, wheeling, sale, or other use or conveyance of electricity, on the Land at Date of Policy or to be built or constructed on the Land in the locations according to the Plans, that by law constitutes real property.
 - (c) “Ejected” or “Ejection” means (i) the lawful divestment, in whole or in part, of the Title to the Land or (ii) the lawful prevention of the use of the Land or any Electricity Facility or Severable Improvement, as applicable, in either case as a result of a matter covered by this policy.
 - (d) “Plans” means the survey, site and elevation plans or other depictions or drawings prepared by (insert name of architect or engineer) dated _____, last revised _____, designated as (insert name of project or project number) consisting of ____ sheets.
 - (e) ” Severable Improvement” means property affixed to the Land at Date of Policy or to be affixed in the locations according to the Plans, that would constitute an Electricity Facility but for its characterization as personal property, and that by law does not constitute real property because (i) of its character and manner of attachment to the Land and (ii) the property can be severed from the Land without causing material damage to the property or to the Land.

- (f) "Vestee" means the party in which the Title is vested as stated in Schedule A and, after acquisition of all or any part of the Title in accordance with the provisions of Section 2 of the Conditions of the policy, the Insured Claimant.

3. Valuation of Title as an integrated project:

- (a) If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Ejection, then, as to that portion of the Land from which the Vestee is Ejected, that value shall consist of (i) the value of the fee estate including any Electricity Facility existing on the date of the Ejection, and, if applicable, (ii) any reduction in value of another insured Constituent Parcel as computed in Section 3(b) below.
- (b) A computation of loss or damage resulting from an Ejection affecting any Constituent Parcel shall include loss or damage to the integrated project caused by the covered matter affecting the Constituent Parcel from which the Insured is Ejected.
- (c) The Insured Claimant shall have the right to have the fee estate, any Constituent Parcel, and any Electricity Facility affected by a defect insured against by this policy valued either as a whole or separately.
- (d) The provisions of this Section 3 shall not diminish the Insured's rights under any other endorsement to the policy; however, the calculation of loss or damage pursuant to this endorsement shall not allow duplication of recovery for loss or damage calculated pursuant to Section 8 of the Conditions or any other endorsement to the policy.

4. Valuation of Severable Improvements:

- (a) In the event of an Ejection, the calculation of the loss shall include (but not to the extent that these items of loss are included in the valuation of the Title determined pursuant to Section 8 of the Conditions or any other provision of this or any other endorsement) the diminution in value of the Insured's interest in any Severable Improvement resulting from the Ejection, reduced by the salvage value of the Severable Improvement.
- (b) The policy does not insure against loss or damage (and the Company will not pay any costs, attorneys' fees, or expenses) relating to: (i) the attachment, perfection, or priority of any security interest in any Severable Improvement; (ii) the vesting or ownership of title to or rights in any Severable Improvement; (iii) any defect in or lien or encumbrance on the title to any Severable Improvement; or (iv) the determination of whether any specific property is real or personal in nature.

5. Additional items of loss covered by this endorsement:

If the Insured acquires all or any part of the Title in accordance with the provisions of Section 2 of the Conditions of the policy and thereafter is Ejected, the following items of loss, if applicable to that portion of the Land from which the Insured is Ejected, shall be included, without duplication, in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title determined pursuant to Section 3 of this endorsement, the valuation of Severable Improvements pursuant to Section 4 of this endorsement, or Section 8(a)(iii) of the Conditions:

- (a) The reasonable cost of: (i) disassembling, removing, relocating and reassembling any Severable Improvement that the Insured has the right to remove and relocate, situated on the Land at the time of Ejection, to the extent necessary to restore and make functional the integrated project; (ii) transportation of that Severable Improvement for the initial one hundred miles incurred in connection with the restoration or relocation; and (iii) restoring the Land to the extent damaged as a result of the disassembly, removal and relocation of the Severable Improvement and required of the Insured solely because of the Ejection.
 - (b) Payments or damages for use and occupancy of the Land prior to the Ejection that the Insured may be obligated to pay to any person having paramount title to that of the Insured.
 - (c) The fair market value, at the time of the Ejection, of the estate or interest of the Insured in any lease or easement, as applicable, made by the Vestee as lessor or grantor of all or part of the Title.
 - (d) Damages caused by the Ejection that the Insured is obligated to pay to lessees or easement grantees on account of the breach of any lease or easement, as applicable, made by the Vestee as lessor or grantor of all or part of the Title.
 - (e) The reasonable cost to obtain land use, zoning, building and occupancy permits, architectural and engineering services, and environmental testing and reviews for a fee estate in a replacement parcel of land reasonably equivalent to the parcel that is the subject of the Ejection.
 - (f) If any Electricity Facility is not substantially completed at the time of Ejection, the actual cost incurred by the Insured up to the time of Ejection, less the salvage value, for the Electricity Facility located on that portion of the Land from which the Insured is Ejected. Those costs include costs incurred to construct and fabricate the Electricity Facility, obtain land use, zoning, building and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, landscaping, and cancellation fees related to the foregoing.

A Participant is an Insured under the policy to the extent of its ownership of a portion of the Indebtedness, whether it acquires its portion of the Indebtedness on or after Date of Policy.
3. The Company insures against loss or damage sustained by the Insured by reason of:
 - a. The invalidity or unenforceability of the lien of the Insured Mortgage caused by transfers after the Date of Policy of portions of the Indebtedness by the Participants.
 - b. Loss of priority of the lien of the Insured Mortgage, which loss of priority is caused by transfers after the Date of Policy of portions of the Indebtedness by the Participants.
4. The Company reserves all rights and defenses as to any Participant that the Company would have had against any other Insured under the policy, unless the Participant acquired its portion of the Indebtedness as a purchaser for value without Knowledge of the asserted defect, lien, encumbrance, or other matter insured against by this policy.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. Adopted 12/1/2014

1. The insurance provided by this endorsement is subject to the exclusions in Section 4 of this endorsement, the Exclusions from Coverage in the policy, the Exceptions from Coverage contained in Schedule B, and the Conditions.

 - (b) “Pari Passu Lender” means each respective lender secured by a Pari Passu Mortgage that has a policy issued by the Company insuring its Insured Mortgage or Pari Passu Mortgage; and
 - (c) “Pari Passu Mortgage” means the Insured Mortgage and each mortgage described in Exceptions ____ of Schedule B of the policy.
3. The Company insures against loss or damage sustained by the Insured by reason of:
 - (a) the invalidity or unenforceability of the lien of the Insured Mortgage resulting solely from the provisions of a Pari Passu Mortgage or Intercreditor Agreement establishing lien priority; or
 - (b) the lack of equal lien priority of the Insured Mortgage to the other Pari Passu Mortgages.
4. The Company does not insure against loss or damage (and the Company will not pay costs, attorneys' fees, or expenses) resulting from:
 - (a) the failure of the Insured or any Pari Passu Lender to comply with the terms of the Pari Passu Mortgage or Intercreditor Agreement;
 - (b) the failure of the Insured and each other Pari Passu Lender to simultaneously foreclose the Insured Mortgage with each other Pari Passu Mortgage; or

5. If the Insured, any other Pari Passu Lender, or others have conflicting claims to all or part of the loss payable under the policy, the Company may interplead the amount of the loss into court. The Insured and any other Pari Passu Lender shall be jointly and severally liable for the Company's reasonable cost for the interpleader and subsequent proceedings, including attorneys' fees. ALTA Endorsement 45-06 is available for loan policies only. It is intended for use with improved or unimproved commercial property on loan transactions involving multiple Insured Mortgages that are structured to be Pari Passu with each other, meaning the Insured Mortgages share equal lien priority with each another, subject to certain conditions and requirements. This Pari Passu structure is typically accomplished through the terms of an Intercreditor Agreement between the various Mortgagees, which is recorded in the Public Records, or within the terms of the various Insured Mortgages. Careful review of the documents establishing the equal lien priority provisions must be conducted to determine eligibility for this endorsement, and each Mortgagee must execute those document(s). Subject to the exclusions and other provisions contained in this endorsement, it provides coverage for loss or damage sustained by the Insured by reason of (a) the invalidity or unenforceability of the lien of the Insured Mortgage resulting solely from the provision of a Pari Passu Mortgage or Intercreditor Agreement establishing lien priority; or (b) the lack of equal lien priority of the Insured Mortgage to the other Pari Passu Mortgages.

ALTA 47 and ALTA 47.1 endorsements are the Operative Law endorsements for the Owner's Policy and Loan Policy respectively.

Paraphrasing from the ALTA Title Forms Committee's action item submitted to the ALTA Board of Governors, the decision by the U.S. Supreme Court in the case of *McGirt v. Oklahoma*, 140 S.Ct. 2452 (2020) found that a criminal defendant, who lived on a tribal reservation but was charged with an offense occurring in an Eastern Oklahoma town, was not subject to the jurisdiction of the state of Oklahoma. This decision also addressed the jurisdiction of the tribal government over a geographic area which had once been a reservation, but which supposedly had been disestablished by Congress.

That "jurisdiction" in ALTA policies and other forms might be defined to include tribal governing bodies was neither intended nor anticipated. The Title Forms Committee set up a new Operative Law Subcommittee to discuss this issue and draft updates to the 2021 policies. The discussions led to two new Endorsements to the 2006 policy forms that became effective on April 2, 2021.

Common among the Endorsements is new defined terms for "State" and "Tribe"; revisions to the Condition section relating to choice of laws (to exclude applying the law of a Tribe); and some language changes in the Exclusions from Coverage section.

2. CONTINUATION OF COVERAGE

This policy continues as of the Date of Policy in favor of an Insured, so long as the Insured:

- a. retains an estate or interest in the Land;
- b. owns an obligation secured by a purchase money Mortgage given by a purchaser from the Insured; or
- c. has liability for warranties given by the Insured in any transfer or conveyance of the Insured's Title.

Except as provided in Condition 2, this policy terminates and ceases to have any further force or effect after the Insured conveys the Title. This policy does not continue in force or effect in favor of any person or entity that is not the Insured and acquires the Title or an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured must notify the Company promptly in writing if the Insured has Knowledge of:

- a. any litigation or other matter for which the Company may be liable under this policy; or
- b. any rejection of the Title as Unmarketable Title.

If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under this policy is reduced to the extent of the prejudice.

4. PROOF OF LOSS

The Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, adverse claim, or other matter insured against by this policy that constitutes the basis of loss or damage and must state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

- a. Upon written request by the Insured and subject to the options contained in Condition 7, the Company, at its own cost and without unreasonable delay, will provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company has the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those covered causes of action. The Company is not liable for and will not pay the fees of any other counsel. necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it is liable to the Insured. The Company's exercise of these rights is not an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under Condition 5.b., it must do so diligently.

- c. When the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court having jurisdiction. The Company reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

- a. When this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured will secure to the Company the right to prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose.

When requested by the Company, the Insured, at the Company's expense, must give the Company all reasonable aid in:

- i. securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement; and
- ii. any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter, as insured.

If the Company is prejudiced by any failure of the Insured to furnish the required cooperation, the Company's liability and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation, regarding the matter requiring such cooperation.

- b. The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos, whether bearing a date before or after the Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant must grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all the records in the custody or control of a third party that reasonably pertain to the loss or damage. No information designated in writing as confidential by the Insured Claimant provided to the Company pursuant to Condition 6 will be later disclosed to others unless, in the reasonable judgment of the Company, disclosure is necessary in the administration of the claim or required by law. Any failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in Condition 6.b., unless prohibited by law, terminates any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

Upon the exercise by the Company of this option provided for in Condition 7.a., the Company's liability and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation.
- b. *To Pay or Otherwise Settle with Parties other than the Insured or with the Insured Claimant*
 - i. To pay or otherwise settle with parties other than the Insured for or in the name of the Insured Claimant. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or

In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

Upon the exercise by the Company of either option provided for in Condition 7.b., the Company's liability and obligations to the Insured under this policy for the claimed loss or damage terminate, including any obligation to defend, prosecute, or continue any litigation.

8. CONTRACT OF INDEMNITY; DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by an Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy. - b. Except as provided in Condition 8.c. or 8.d., the fair market value of the Title in Condition 8.a.ii. is calculated using the date the Insured discovers the defect, lien, encumbrance, adverse claim, or other matter insured against by this policy.
- c. If, at the Date of Policy, the Title to all of the Land is void by reason of a matter insured against by this policy, then the Insured Claimant may, by written notice given to the Company, elect to use the Date of Policy as the date for calculating the fair market value of the Title in Condition 8.a.ii.
- d. If the Company pursues its rights under Condition 5.b. and is unsuccessful in establishing the Title, as insured:
 - i. the Amount of Insurance will be increased by 15%; and
 - ii. the Insured Claimant may, by written notice given to the Company, elect, as an alternative to the dates set forth in Condition 8.b. or, if it applies, 8.c., to use either the date the settlement, action, proceeding, or other act described in Condition 5.b. is concluded or the date the notice of claim required by Condition 3 is received by the Company as the date for calculating the fair market value of the Title in Condition 8.a.ii.
- e. In addition to the extent of liability for loss or damage under Conditions 8.a. and 8.d., the Company will also pay the costs, attorneys' fees, and expenses incurred in accordance with Conditions 5 and 7.

9. LIMITATION OF LIABILITY

- a. The Company fully performs its obligations and is not liable for any loss or damage caused to the Insured if the Company accomplishes any of the following in a reasonable manner:
 - i. removes the alleged defect, lien, encumbrance, adverse claim, or other matter;
 - ii. cures the lack of a right of access to and from the Land; or
 - iii. cures the claim of Unmarketable Title,all as insured. The Company may do so by any method, including litigation and the completion of any appeals.

- c. The Company is not liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.
- d. The Company is not liable for the content of the Transaction Identification Data, if any.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage are determined in accordance with the Conditions, the Company will pay the loss or damage within 30 days.

13. COMPANY'S RECOVERY AND SUBROGATION RIGHTS UPON SETTLEMENT AND PAYMENT

If requested by the Company, the Insured Claimant must execute documents to transfer these rights and remedies to the Company. The Insured Claimant permits the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.
- b. If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company defers the exercise of its subrogation right until after the Insured Claimant fully recovers its loss.
- c. The Company's subrogation right includes the Insured's rights to indemnity, guaranty, warranty, insurance policy, or bond, despite any provision in those instruments that addresses recovery or subrogation rights.

14. POLICY ENTIRE CONTRACT

- a. This policy together with all endorsements, if any, issued by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy will be construed as a whole. This policy and any endorsement to this policy may be evidenced by electronic means authorized by law.
- b. Any amendment of this policy must be by a written endorsement issued by the Company.  - i. modify any prior endorsement,
 - ii. extend the Date of Policy,
 - iii. insure against loss or damage exceeding the Amount of Insurance, or
 - iv. increase the Amount of Insurance.

15. SEVERABILITY

to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF COVERAGE

This policy continues as of the Date of Policy in favor of an Insured:

- a. after the Insured's acquisition of the Title, so long as the Insured retains an estate or interest in the Land; and
- b. after the Insured's conveyance of the Title, so long as the Insured:
 - i. retains an estate or interest in the Land;
 - ii. owns an obligation secured by a purchase money Mortgage given by a purchaser from the Insured; or
 - iii. has liability for warranties given by the Insured in any transfer or conveyance of the Insured's Title.

Except as provided in Condition 2, this policy terminates and ceases to have any further force or effect after the Insured conveys the Title. This policy does not continue in force or effect in favor of any person or entity that is not the Insured and acquires the Title or an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured must notify the Company promptly in writing if the Insured has Knowledge of:

- a. any litigation or other matter for which the Company may be liable under this policy; or
- b. any rejection of the Title or the lien of the Insured Mortgage as Unmarketable Title.

If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under this policy is reduced to the extent of the prejudice.

4. PROOF OF LOSS

The Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, adverse claim, or other matter insured against by this policy that constitutes the basis of loss or damage and must state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

- a. Upon written request by the Insured and subject to the options contained in Condition 7, the Company, at its own cost and without unreasonable delay, will provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company has the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those covered causes of action. The Company is not liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of any cause of action that alleges matters not insured against by this policy.
- b. The Company has the right, in addition to the options contained in Condition 7, at its own cost, to institute and prosecute any action or proceeding or to do any other act that, in its opinion, may be necessary or desirable to establish the Title or the lien of the Insured Mortgage, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it is liable to the Insured. The Company's exercise of these rights is not an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under Condition 5.b., it must do so diligently.
- c. When the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court having jurisdiction. The Company reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

- a. When this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured will secure to the Company the right to prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose.

When requested by the Company, the Insured, at the Company's expense, must give the Company all reasonable aid in:

- i. securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement; and
ii. any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title, the lien of the Insured Mortgage, or any other matter, as insured.

If the Company is prejudiced by any failure of the Insured to furnish the required cooperation, the Company's liability and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation, regarding the matter requiring such cooperation.

- b. The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos, whether bearing a date before or after the Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant must grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all the records in the custody or control of a third party that reasonably pertain to the loss or damage. No information designated in writing as confidential by the Insured Claimant provided to the Company pursuant to Condition 6 will be later disclosed to others unless, in the reasonable judgment of the Company, disclosure is necessary in the administration of the claim or required by law. Any failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in Condition 6.b., unless prohibited by law, terminates any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company has the following additional options:

- a. *To Pay or Tender Payment of the Amount of Insurance or to Purchase the Indebtedness*
i. To pay or tender payment of the Amount of Insurance under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay; or
ii. To purchase the Indebtedness for the amount of the Indebtedness on the date of purchase. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of purchase and that the Company is obligated to pay.

If the Company purchases the Indebtedness, the Insured must transfer, assign, and convey to the Company the Indebtedness and the Insured Mortgage, together with any collateral security.

Upon the exercise by the Company of either option provided for in Condition 7.a., the Company's liability and obligations to the Insured under this policy terminate, including any obligation to defend, prosecute, or continue any litigation.

- b. *To Pay or Otherwise Settle with Parties other than the Insured or with the Insured Claimant*
i. To pay or otherwise settle with parties other than the Insured for or in the name of the Insured Claimant. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or
ii. To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the

Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

Upon the exercise by the Company of either option provided for in Condition 7.b., the Company's liability and obligations to the Insured under this policy for the claimed loss or damage terminate, including any obligation to defend, prosecute, or continue any litigation.

8. CONTRACT OF INDEMNITY; DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by an Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy. This policy is not an abstract of the Title, report of the condition of the Title, legal opinion, opinion of the Title, or other representation of the status of the Title. All claims asserted under this policy are based in contract and are restricted to the terms and provisions of this policy. The Company is not liable for any claim alleging negligence or negligent misrepresentation arising from or in connection with this policy or the determination of the insurability of the Title.

- a. The extent of liability of the Company for loss or damage under this policy does not exceed the least of:
 - i. the Amount of Insurance;
 - ii. the Indebtedness;
 - iii. the difference between the fair market value of the Title, as insured, and the fair market value of the Title subject to the matter insured against by this policy; or
 - iv. if a Government Mortgage Agency or Instrumentality is the Insured Claimant, the amount it paid in the acquisition of the Title or the Insured Mortgage or in satisfaction of its insurance contract or guaranty relating to the Title or the Insured Mortgage.
- b. Fair market value of the Title in Condition 8.a.iii. is calculated using either:
 - i. the date the Insured acquires the Title as a result of a foreclosure or deed in lieu of foreclosure of the Insured Mortgage; or
 - ii. the date the lien of the Insured Mortgage or any assignment set forth in Item 4 of Schedule A is extinguished or rendered unenforceable by reason of a matter insured against by this policy.
- c. If the Company pursues its rights under Condition 5.b. and is unsuccessful in establishing the Title or the lien of the Insured Mortgage, as insured:
 - i. the Amount of Insurance will be increased by 15%; and
 - ii. the Insured Claimant may, by written notice given to the Company, elect, as an alternative to the dates set forth in Condition 8.b., to use either the date the settlement, action, proceeding, or other act described in Condition 5.b. is concluded or the date the notice of claim required by Condition 3 is received by the Company as the date for calculating the fair market value of the Title in Condition 8.a.iii.
- d. In addition to the extent of liability for loss or damage under Conditions 8.a. and 8.c., the Company will also pay the costs, attorneys' fees, and expenses incurred in accordance with Conditions 5 and 7.

9. LIMITATION OF LIABILITY

- a. The Company fully performs its obligations and is not liable for any loss or damage caused to the Insured if the Company accomplishes any of the following in a reasonable manner:
 - i. removes the alleged defect, lien, encumbrance, adverse claim, or other matter;
 - ii. cures the lack of a right of access to and from the Land;
 - iii. cures the claim of Unmarketable Title; or
 - iv. establishes the lien of the Insured Mortgage,all as insured. The Company may do so by any method, including litigation and the completion of any appeals.
- b. The Company is not liable for loss or damage arising out of any litigation, including litigation by the Company or with the Company's consent, until a State or federal court having jurisdiction makes a final, non-appealable determination adverse to the Title or to the lien of the Insured Mortgage.
- c. The Company is not liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

- d. An Insured Claimant must own the Indebtedness or have acquired the Title at the time that a claim under this policy is paid.
- e. The Company is not liable for the content of the Transaction Identification Data, if any.

10. REDUCTION OR TERMINATION OF INSURANCE

- a. All payments under this policy, except payments made for costs, attorneys' fees, and expenses, reduce the Amount of Insurance by the amount of the payment. However, any payment made by the Company prior to the acquisition of the Title as provided in Condition 2 does not reduce the Amount of Insurance afforded under this policy, except to the extent that the payment reduces the Indebtedness.
- b. When the Title is acquired by the Insured as a result of foreclosure or deed in lieu of foreclosure, the amount credited against the Indebtedness does not reduce the Amount of Insurance.
- c. The voluntary satisfaction or release of the Insured Mortgage terminates all liability of the Company, except as provided in Condition 2.

11. PAYMENT OF LOSS

When liability and the extent of loss or damage are determined in accordance with the Conditions, the Company will pay the loss or damage within 30 days.

12. COMPANY'S RECOVERY AND SUBROGATION RIGHTS UPON SETTLEMENT AND PAYMENT

- a. *Company's Right to Recover*
 - i. If the Company settles and pays a claim under this policy, it is subrogated and entitled to the rights and remedies of the Insured Claimant in the Title or Insured Mortgage and all other rights and remedies in respect to the claim that the Insured Claimant has against any person, entity, or property to the fullest extent permitted by law, but limited to the amount of any loss, costs, attorneys' fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant must execute documents to transfer these rights and remedies to the Company. The Insured Claimant permits the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.
 - ii. If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company defers the exercise of its subrogation right until after the Insured Claimant fully recovers its loss.
- b. *Company's Subrogation Rights against Obligors*

The Company's subrogation right includes the Insured's rights against Obligors including the Insured's rights to repayment under a note, indemnity, guaranty, warranty, insurance policy, or bond, despite any provision in those instruments that addresses recovery or subrogation rights. An Obligor cannot avoid the Company's subrogation right by acquiring the Indebtedness as a result of an indemnity, guaranty, warranty, insurance policy, or bond, or in any other manner. The Obligor is not an Insured under this policy. The Company may not exercise its rights under Condition 12.b. against a Government Mortgage Agency or Instrumentality.
- c. *Insured's Rights and Limitations*
 - i. The owner of the Indebtedness may release or substitute the personal liability of any debtor or guarantor, extend or otherwise modify the terms of payment, release a portion of the Title from the lien of the Insured Mortgage, or release any collateral security for the Indebtedness, if the action does not affect the enforceability or priority of the lien of the Insured Mortgage.
 - ii. If the Insured exercises a right provided in Condition 12.c.i. but has Knowledge of any claim adverse to the Title or the lien of the Insured Mortgage insured against by this policy, the Company is required to pay only that part of the loss insured against by this policy that exceeds the amount, if any, lost to the Company by reason of the impairment by the Insured Claimant of the Company's subrogation right.

13. POLICY ENTIRE CONTRACT

- a. This policy together with all endorsements, if any, issued by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy will be construed as a whole. This policy and any endorsement to this policy may be evidenced by electronic means authorized by law.
- b. Any amendment of this policy must be by a written endorsement issued by the Company. To the extent any term or provision of an endorsement is inconsistent with any term or provision of this policy, the term or provision of the endorsement controls. Unless the endorsement expressly states, it does not:
 - i. modify any prior endorsement,
 - ii. extend the Date of Policy,
 - iii. insure against loss or damage exceeding the Amount of Insurance, or
 - iv. increase the Amount of Insurance.

14. SEVERABILITY

In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, this policy will be deemed not to include that provision or the part held to be invalid, but all other provisions will remain in full force and effect.

15. CHOICE OF LAW AND CHOICE OF FORUM

a. *Choice of Law*

The Company has underwritten the risks covered by this policy and determined the premium charged in reliance upon the State law affecting interests in real property and the State law applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the State where the Land is located.

The State law of the State where the Land is located, or to the extent it controls, federal law, will determine the validity of claims against the Title or the lien of the Insured Mortgage and the interpretation and enforcement of the terms of this policy, without regard to conflicts of law principles to determine the applicable law.

b. *Choice of Forum*

Any litigation or other proceeding brought by the Insured against the Company must be filed only in a State or federal court having jurisdiction.

**MINIMUM STANDARD DETAIL REQUIREMENTS FOR
ALTA/NSPS LAND TITLE SURVEYS**
(Effective February 23, 2021)

1. **Purpose** - Members of the American Land Title Association® (ALTA) have specific needs, unique to title insurance matters, when asked to insure title to land without exception as to the many matters which might be discoverable from survey and inspection, and which are not evidenced by the public records.

For a survey of real property, and the plat, map or record of such survey, to be acceptable to a title insurance company for the purpose of insuring title to said real property free and clear of survey matters (except those matters disclosed by the survey and indicated on the plat or map), certain specific and pertinent information must be presented for the distinct and clear understanding between the insured, the client (if different from the insured), the title insurance company (insurer), the lender, and the surveyor professionally responsible for the survey.

In order to meet such needs, clients, insurers, insureds, and lenders are entitled to rely on surveyors to conduct surveys and prepare associated plats or maps that are of a professional quality and appropriately uniform, complete, and accurate. To that end, and in the interests of the general public, the surveying profession, title insurers, and abstractors, the ALTA and the NSPS jointly promulgate the within details and criteria setting forth a minimum standard of performance for ALTA/NSPS Land Title Surveys. A complete 2021 ALTA/NSPS Land Title Survey includes:

- (i) the on-site fieldwork required pursuant to Section 5,
- (ii) the preparation of a plat or map pursuant to Section 6 showing the results of the fieldwork and its relationship to documents provided to or obtained by the surveyor pursuant to Section 4,
- (iii) any information from Table A items requested by the client, and
- (iv) the certification outlined in Section 7.

2. **Request for Survey** - The client shall request the survey, or arrange for the survey to be requested, and shall provide a written authorization to proceed from the person or entity responsible for paying for the survey. Unless specifically authorized in writing by the insurer, the insurer shall not be responsible for any costs associated with the preparation of the survey. The request must specify that an "**ALTA/NSPS LAND TITLE SURVEY**" is required and which of the optional items listed in Table A, if any, are to be incorporated. Certain properties or interests in real properties may present issues outside those normally encountered on an ALTA/NSPS Land Title Survey (e.g., marinas, campgrounds, mobile home parks, easements, leases, mineral interests, other non-fee simple interests). The scope of work related to surveys of such properties or interests in real properties should be discussed with the client, lender, and insurer, and agreed upon in writing prior to commencing work on the survey. When required, the client shall secure permission for the surveyor to enter upon the property to be surveyed, adjoining properties, or offsite easements.

3. **Surveying Standards and Standards of Care**

- A. **Effective Date** - The 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys are effective February 23, 2021. As of that date, all previous versions of the Minimum Standard Detail Requirements for ALTA/ACSM or ALTA/NSPS Land Title Surveys are superseded by these standards.
- B. **Other Requirements and Standards of Practice** - Many states and some local jurisdictions have adopted statutes, administrative rules, and/or ordinances that set out standards regulating the practice of surveying within their jurisdictions. In addition to the standards set forth herein, surveyors must also conduct their surveys in accordance with applicable jurisdictional survey requirements and standards of practice. Where conflicts between the standards set forth herein

and any such jurisdictional requirements and standards of practice occur, the more stringent must apply.

- C. **The Normal Standard of Care** - Surveyors should recognize that there may be unwritten local, state, and/or regional standards of care defined by the practice of the “prudent surveyor” in those locales.
- D. **Boundary** - The boundary lines and corners of any property or interest in real property being surveyed (hereafter, the “surveyed property” or “property to be surveyed”) as part of an ALTA/NSPS Land Title Survey must be established and/or retraced in accordance with appropriate boundary law principles governed by the set of facts and evidence found in the course of performing the research and fieldwork.
- E. **Measurement Standards** - The following measurement standards address Relative Positional Precision for the monuments or witnesses marking the corners of the surveyed property.
- i. “Relative Positional Precision” means the length of the semi-major axis, expressed in meters or feet, of the error ellipse representing the uncertainty in the position of the monument or witness marking any boundary corner of the surveyed property relative to the position of the monument or witness marking an immediately adjacent boundary corner of the surveyed property resulting from random errors in the measurements made in determining those positions at the 95 percent confidence level. Relative Positional Precision can be estimated by the results of a correctly weighted least squares adjustment of the survey. Alternatively, Relative Positional Precision can be estimated by the standard deviation of the distance between the monument or witness marking any boundary corner of the surveyed property and the monument or witness marking an immediately adjacent boundary corner of the surveyed property (called local accuracy) that can be computed using the full covariance matrix of the coordinate inverse between any given pair of points, understanding that Relative Positional Precision is based on the 95 percent confidence level, or approximately 2 standard deviations.
 - ii. Any boundary lines and corners established or retraced may have uncertainties in location resulting from (1) the availability, condition, history and integrity of reference or controlling monuments, (2) ambiguities in the record descriptions or plats of the surveyed property or its adjoiners, (3) occupation or possession lines as they may differ from the written title lines, or (4) Relative Positional Precision. Of these four sources of uncertainty, only Relative Positional Precision is controllable, although, due to the inherent errors in any measurement, it cannot be eliminated. The magnitude of the first three uncertainties can be projected based on evidence; Relative Positional Precision is estimated using statistical means (see Section 3.E.i. above and Section 3.E.v. below).
 - iii. The first three of these sources of uncertainty must be weighed as part of the evidence in the determination of where, in the surveyor’s opinion, the boundary lines and corners of the surveyed property should be located (see Section 3.D. above). Relative Positional Precision is a measure of how precisely the surveyor is able to monument and report those positions; it is not a substitute for the application of proper boundary law principles. A boundary corner or line may have a small Relative Positional Precision because the survey measurements were precise, yet still be in the wrong position (i.e., inaccurate) if it was established or retraced using faulty or improper application of boundary law principles.
 - iv. For any measurement technology or procedure used on an ALTA/NSPS Land Title Survey, the surveyor must (1) use appropriately trained personnel, (2) compensate for systematic errors, including those associated with instrument calibration, and (3) use appropriate error propagation and measurement design theory (selecting the proper instruments, geometric layouts, and field and computational procedures) to control random errors such that the maximum allowable Relative Positional Precision outlined in Section 3.E.v. below is not exceeded.
 - v. The maximum allowable Relative Positional Precision for an ALTA/NSPS Land Title Survey is 2 cm (0.07 feet) plus 50 parts per million (based on the direct distance between the two

corners being tested). It is recognized that in certain circumstances, the size or configuration of the surveyed property, or the relief, vegetation, or improvements on the surveyed property, will result in survey measurements for which the maximum allowable Relative Positional Precision may be exceeded in which case the reason shall be noted pursuant to Section 6.B.x. below.

4. **Records Research** - It is recognized that for the performance of an ALTA/NSPS Land Title Survey, the surveyor will be provided with appropriate and, when possible, legible data that can be relied upon in the preparation of the survey. In order to complete an ALTA/NSPS Land Title Survey, the surveyor must be provided with the following:
- A. The current record description of the real property to be surveyed or, in the case of an original survey prepared for purposes of locating and describing real property that has not been previously separately described in documents conveying an interest in the real property, the current record description of the parent parcel that contains the property to be surveyed;
 - B. Complete copies of the most recent title commitment or, if a title commitment is not available, other title evidence satisfactory to the title insurer;
 - C. The following documents from records established under state statutes for the purpose of imparting constructive notice of matters relating to real property (public records):
 - i. The current record descriptions of any adjoining to the property to be surveyed, except where such adjoining are lots in platted, recorded subdivisions;
 - ii. Any recorded easements benefitting the property to be surveyed; and
 - iii. Any recorded easements, servitudes, or covenants burdening the property to be surveyed; and
 - D. If desired by the client, any unrecorded documents affecting the property to be surveyed and containing information to which the survey shall make reference.

Except, however, if the documents outlined in this section are not provided to the surveyor or if non-public or quasi-public documents are otherwise required to complete the survey, the surveyor must conduct that research which is required pursuant to the statutory or administrative requirements of the jurisdiction where the surveyed property is located and that research (if any) which is negotiated and outlined in the terms of the contract between the surveyor and the client.

5. **Fieldwork** - The survey must be performed on the ground (except as may be otherwise negotiated pursuant to Table A, Item 15 below). Except as related to the precision of the boundary, which is addressed in Section 3.E. above, features located during the fieldwork shall be located to what is, in the surveyor's professional opinion, the appropriate degree of precision based on (a) the planned use of the surveyed property, if reported in writing to the surveyor by the client, lender, or insurer, or (b) the existing use, if the planned use is not so reported. The fieldwork shall include the following:

A. Monuments

- i. The location, size, character, and type of any monuments found during the fieldwork.
- ii. The location, size, character, and type of any monuments set during the fieldwork, if item 1 of Table A was selected or if otherwise required by applicable jurisdictional requirements and/or standards of practice.
- iii. The location, description, and character of any lines that control the boundaries of the surveyed property.

B. Rights of Way and Access

- i. The distance from the appropriate corner or corners of the surveyed property to the nearest right of way line, if the surveyed property does not abut a right of way.
- ii. The name of any street, highway, or other public or private way abutting the surveyed property, together with the width of the travelled way and the location of each edge of the travelled way including on divided streets and highways. If the documents provided to or obtained by the surveyor pursuant to Section 4 indicate no access from the surveyed property to the abutting street or highway, the width and location of the travelled way need not be located.

-
- iii. Visible evidence of physical access (e.g., curb cuts, driveways) to any abutting streets, highways, or other public or private ways.
 - iv. The location and character of vehicular, pedestrian, or other forms of access by other than the apparent occupants of the surveyed property to or across the surveyed property observed in the process of conducting the fieldwork (e.g., driveways, alleys, private roads, railroads, railroad sidings and spurs, sidewalks, footpaths).
 - v. Without expressing a legal opinion as to ownership or nature, the location and extent of any potentially encroaching driveways, alleys, and other ways of access from adjoining properties onto the surveyed property observed in the process of conducting the fieldwork.
 - vi. Where documentation of the location of any street, road, or highway right of way abutting, on, or crossing the surveyed property was not disclosed in documents provided to or obtained by the surveyor, or was not otherwise available from the controlling jurisdiction (see Section 6.C.iv. below), the evidence and location of parcel corners on the same side of the street as the surveyed property recovered in the process of conducting the fieldwork which may indicate the location of such right of way lines (e.g., lines of occupation, survey monuments).
 - vii. Evidence of access to and from waters adjoining the surveyed property observed in the process of conducting the fieldwork (e.g., paths, boat slips, launches, piers, docks).
- C. Lines of Possession and Improvements along the Boundaries**
- i. The character and location of evidence of possession or occupation along the perimeter of the surveyed property, both by the occupants of the surveyed property and by adjoining, observed in the process of conducting the fieldwork.
 - ii. Unless physical access is restricted, the character and location of all walls, buildings, fences, and other improvements within five feet of each side of the boundary lines observed in the process of conducting the fieldwork (see Section 5.E.iv. regarding utility poles). Trees, bushes, shrubs, and other vegetation need not be located other than as specified in the contract, unless they are deemed by the surveyor to be evidence of possession or occupation pursuant to Section 5.C.i.
 - iii. Without expressing a legal opinion as to the ownership or nature of the potential encroachment, the evidence, location, and extent of potentially encroaching structural appurtenances and projections observed in the process of conducting the fieldwork (e.g., fire escapes, bay windows, windows and doors that open out, flue pipes, stoops, eaves, cornices, areaways, steps, trim) by or onto adjoining property, or onto rights of way, easements, or setback lines disclosed in documents provided to or obtained by the surveyor.
- D. Buildings**
- The location of buildings on the surveyed property observed in the process of conducting the fieldwork.
- E. Easements and Servitudes**
- i. Evidence of any easements or servitudes burdening the surveyed property as disclosed in the documents provided to or obtained by the surveyor pursuant to Section 4 and observed in the process of conducting the fieldwork.
 - ii. Evidence of easements, servitudes, or other uses by other than the apparent occupants of the surveyed property not disclosed in the documents provided to or obtained by the surveyor pursuant to Section 4, but observed in the process of conducting the fieldwork if they are on or across the surveyed property (e.g., roads, drives, sidewalks, paths and other ways of access, utility service lines, utility locate markings (including the source of the markings, with a note if unknown), water courses, ditches, drains, telephone lines, fiber optic lines, electric lines, water lines, sewer lines, oil pipelines, gas pipelines).
 - iii. Surface indications of underground easements or servitudes on or across the surveyed property observed in the process of conducting the fieldwork (e.g., utility cuts, vent pipes, filler pipes, utility locate markings (including the source of the markings, with a note if unknown)).
 - iv. Evidence on or above the surface of the surveyed property observed in the process of

conducting the fieldwork, which evidence may indicate utilities located on, over, or beneath the surveyed property. Examples of such evidence include pipeline markers, utility locate markings (including the source of the markings, with a note if unknown), manholes, valves, meters, transformers, pedestals, clean-outs, overhead lines, guy wires, and utility poles on or within ten feet of the surveyed property. Without expressing a legal opinion as to the ownership or nature of the potential encroachment, the extent of all encroaching utility pole crossmembers or overhangs.

F. Cemeteries

As accurately as the evidence permits, the perimeter of cemeteries and burial grounds, and the location of isolated gravesites not within a cemetery or burial ground, (i) disclosed in the documents provided to or obtained by the surveyor, or (ii) observed in the process of conducting the fieldwork.

G. Water Features

- i. The location of springs, ponds, lakes, streams, rivers, canals, ditches, marshes, and swamps on, running through, or outside, but within five feet of, the perimeter boundary of the surveyed property and observed during the process of conducting the fieldwork.
- ii. The location of any water feature forming a boundary of the surveyed property. The attribute(s) of the water feature located (e.g., top of bank, edge of water, high water mark) should be congruent with the boundary as described in the record description or, in the case of an original survey, in the new description (see Section 6.B.vi. below).

6. Plat or Map - A plat or map of an ALTA/NSPS Land Title Survey shall show the following information. Where dimensioning is appropriate, dimensions shall be annotated to what is, in the surveyor's professional opinion, the appropriate degree of precision based on (a) the planned use of the surveyed property, if reported in writing to the surveyor by the client, lender, or insurer, or (b) existing use, if the planned use is not so reported.

A. Field Locations. The evidence and locations gathered, and the monuments and lines located during the fieldwork pursuant to Section 5 above, with accompanying notes if deemed necessary by the surveyor or as otherwise required as specified below.

B. Boundary, Descriptions, Dimensions, and Closures

- i. (a) The current record description of the surveyed property, or
(b) In the case of an original survey, the current record document number of the parent tract that contains the surveyed property.
- ii. Any new description of the surveyed property that was prepared in conjunction with the survey, including a statement explaining why the new description was prepared. Except in the case of an original survey, preparation of a new description should be avoided unless deemed necessary or appropriate by the surveyor and insurer. Preparation of a new description should also generally be avoided when the record description is a lot or block in a platted, recorded subdivision. Except in the case of an original survey, if a new description is prepared, a note must be provided stating (a) that the new description describes the same real estate as the record description or, (b) if it does not, how the new description differs from the record description.
- iii. The point of beginning, the remote point of beginning or point of commencement (if applicable) and all distances and directions identified in the record description of the surveyed property (and in the new description, if one was prepared). Where a measured or calculated dimension differs from the record by an amount deemed significant by the surveyor, such dimension must be shown in addition to, and differentiated from, the corresponding record dimension. All dimensions shown on the survey and contained in any new description must be horizontal ground dimensions unless otherwise noted.
- iv. The direction, distance, and curve data necessary to compute a mathematical closure of the surveyed boundary. A note if the record description does not mathematically close. The basis of bearings and, where it differs from the record basis, the difference.
- v. The remainder of any recorded lot or existing parcel, when the surveyed property is

- composed of only a portion of such lot or parcel, shall be graphically depicted. Such remainder need not be included as part of the actual survey, except to the extent necessary to locate the lines and corners of the surveyed property, and it need not be fully dimensioned or drawn at the same scale as the surveyed property.
- vi. When the surveyed property includes a title line defined by a water boundary, a note on the face of the plat or map noting the date the boundary was measured, which attribute(s) of the water feature was/were located, and the caveat that the boundary is subject to change due to natural causes and that it may or may not represent the actual location of the limit of title. When the surveyor is aware of natural or artificial realignments or changes in such boundaries, the extent of those changes and facts shall be shown or explained.
 - vii. The relationship of the boundaries of the surveyed property to its adjoiners (e.g., contiguity, gaps, overlaps) where ascertainable from documents provided to or obtained by the surveyor pursuant to Section 4 and/or from field evidence gathered during the process of conducting the fieldwork. If the surveyed property is composed of multiple parcels, the extent of any gaps or overlaps between those parcels must be identified. Where gaps or overlaps are identified, the surveyor must, prior to or upon delivery of the final plat or map, disclose this to the insurer and client.
 - viii. When, in the opinion of the surveyor, the results of the survey differ significantly from the record, or if a fundamental decision related to the boundary resolution is not clearly reflected on the plat or map, the surveyor must explain this information with notes on the face of the plat or map.
 - ix. The location of buildings on the surveyed property dimensioned perpendicular to those perimeter boundary lines that the surveyor deems appropriate (i.e., where potentially impacted by a setback line) and/or as requested by the client, lender or insurer.
 - x. A note on the face of the plat or map explaining the site conditions that resulted in a Relative Positional Precision that exceeds the maximum allowed pursuant to Section 3.E.v.
 - xi. A note on the face of the plat or map identifying areas, if any, on the boundaries of the surveyed property, to which physical access within five feet was restricted (see Section 5.C.ii.).
 - xii. A note on the face of the plat or map identifying the source of the title commitment or other title evidence provided pursuant to Section 4, and the effective date and the name of the insurer of same.
- C. Easements, Servitudes, Rights of Way, Access, and Documents**
- i. The location, width, and recording information of all plottable rights of way, easements, and servitudes burdening and benefitting the surveyed property, as evidenced by documents provided to or obtained by the surveyor pursuant to Section 4.
 - ii. A summary of all rights of way, easements, and other survey-related matters burdening the surveyed property and identified in the title evidence provided to or obtained by the surveyor pursuant to Section 4. Such summary must include the record information of each such right of way, easement, or other survey-related matter, a statement indicating whether it lies within or crosses the surveyed property, and a related note if:
 - (a) its location is shown;
 - (b) its location cannot be determined from the record document;
 - (c) there was no observed evidence at the time of the fieldwork;
 - (d) it is a blanket easement;
 - (e) it is not on, does not touch, and/or – based on the description contained in the record document – does not affect, the surveyed property;
 - (f) it limits access to an otherwise abutting right of way;
 - (g) the documents are illegible; or
 - (h) the surveyor has information indicating that it may have been released or otherwise terminated.

In cases where the surveyed property is composed of multiple parcels, indicate which of such

- parcels the various rights of way, easements, and other survey-related matters cross or touch.
- iii. A note if no physical access to an abutting street, highway, or other public or private way was observed in the process of conducting the fieldwork.
 - iv. The locations and widths of rights of way abutting or crossing the surveyed property and the source of such information (a) where available from the controlling jurisdiction, or (b) where disclosed in documents provided to or obtained by the surveyor pursuant to Section 4.
 - v. The identifying titles of all recorded plats, filed maps, right of way maps, or similar documents that the survey represents, wholly or in part, with their recording or filing data.
 - vi. For non-platted adjoining land, recording data and, where available, tax parcel number, identifying adjoining tracts according to current public records. For platted adjoining land, the recording data of the subdivision plat.
 - vii. Platted setback or building restriction lines that appear on recorded subdivision plats or that were disclosed in documents provided to, or obtained by, the surveyor.
 - viii. If in the process of preparing the survey the surveyor becomes aware of a recorded easement not otherwise listed in the title evidence provided, the surveyor must advise the insurer prior to delivery of the plat or map and, unless the insurer provides evidence of a release of that easement, show or otherwise explain it on the face of the plat or map, with a note that the insurer has been advised.

D. Presentation

- i. The plat or map must be drawn on a sheet of not less than 8 ½ by 11 inches in size at a legible, standard engineering scale, with that scale clearly indicated in words or numbers and with a graphic scale.
- ii. The plat or map must include:
 - (a) The boundary of the surveyed property drawn in a manner that distinguishes it from other lines on the plat or map.

 - (d) A legend of symbols and abbreviations.
 - (e) A vicinity map showing the surveyed property in reference to nearby highway(s) or major street intersection(s).
 - (f) Supplementary or detail diagrams when necessary.
 - (g) Notes explaining any modifications to Table A items and the nature of any additional Table A items (e.g., 20(a), 20(b), 20(c)) that were negotiated between the surveyor and client.
 - (h) The surveyor’s project number (if any), and the name, registration or license number, signature, seal, street address, telephone number, company website, and email address (if any) of the surveyor who performed the survey.

7. Certification - The plat or map of an ALTA/NSPS Land Title Survey must bear only the following unaltered certification except as may be required pursuant to Section 3.B. above:

To (name of insured, if known), (name of lender, if known), (name of insurer, if known), (names of others as negotiated with the client):

This is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title

Surveys, jointly established and adopted by ALTA and NSPS, and includes Items _____
of Table A thereof. The fieldwork was completed on _____ [date].

*Date of Plat or Map: _____ (Surveyor's signature, printed name and seal with
Registration/License Number)*

8. Deliverables - The surveyor shall furnish copies of the plat or map of survey to the insurer and client and as otherwise negotiated with the client. Hard copies shall be on durable and dimensionally stable material of a quality standard acceptable to the insurer. A digital image of the plat or map may be provided in addition to, or in lieu of, hard copies pursuant to the terms of the contract. If the surveyor is required to record or file a plat or map pursuant to state statute or local ordinance it shall be so recorded or filed.

TABLE A

OPTIONAL SURVEY RESPONSIBILITIES AND SPECIFICATIONS

NOTE: Whether any of the nineteen (19) items of Table A are to be selected, and the exact wording of and fee for any selected item, may be negotiated between the surveyor and client. Any additional items negotiated between the surveyor and client must be identified as 20(a), 20(b), etc. Any additional items negotiated between the surveyor and client, and any negotiated changes to the wording of a Table A item, must be explained pursuant to Section 6.D.ii.(g). Notwithstanding Table A Items 5 and 11, if an engineering design survey is desired as part of an ALTA/NSPS Land Title Survey, such services should be negotiated under Table A, Item 20.

If checked, the following optional items are to be included in the ALTA/NSPS LAND TITLE SURVEY, except as otherwise qualified (see note above):

1. _____ Monuments placed (or a reference monument or witness to the corner) at all major corners of the boundary of the surveyed property, unless already marked or referenced by existing monuments or witnesses in close proximity to the corner.
2. _____ Address(es) of the surveyed property if disclosed in documents provided to or obtained by the surveyor, or observed while conducting the fieldwork.
3. _____ Flood zone classification (with proper annotation based on federal Flood Insurance Rate Maps or the state or local equivalent) depicted by scaled map location and graphic plotting only.
4. _____ Gross land area (and other areas if specified by the client).
5. _____ Vertical relief with the source of information (e.g., ground survey, aerial map), contour interval, datum, with originating benchmark, when appropriate.

_____ (b) If the zoning setback requirements specific to the surveyed property are set forth in a zoning report or letter provided to the surveyor by the client or the client's designated representative, and if those requirements do not require an interpretation by the surveyor, graphically depict those requirements on the plat or map and identify the date and source of the report or letter.
7. _____ (a) Exterior dimensions of all buildings at ground level.
_____ (b) Square footage of:
_____ (1) exterior footprint of all buildings at ground level.

11. Evidence of underground utilities existing on or serving the surveyed property (in addition to the observed evidence of utilities required pursuant to Section 5.E.iv.) as determined by:
- _____ (a) plans and/or reports provided by client (with reference as to the sources of information)
- _____ (b) markings coordinated by the surveyor pursuant to a private utility locate request.
- Note to the client, insurer, and lender – With regard to Table A, item 11, information from the sources checked above will be combined with observed evidence of utilities pursuant to Section 5.E.iv. to develop a view of the underground utilities. However, lacking excavation, the exact location of underground features cannot be accurately, completely, and reliably depicted. In addition, in some jurisdictions, 811 or other similar utility locate requests from surveyors may be ignored or result in an incomplete response, in which case the surveyor shall note on the plat or map how this affected the surveyor’s assessment of the location of the utilities. Where additional or more detailed information is required, the client is advised that excavation may be necessary.*
12. _____ As specified by the client, Governmental Agency survey-related requirements (e.g., HUD surveys, surveys for leases on Bureau of Land Management managed lands). The relevant survey requirements are to be provided by the client or client’s designated representative.
13. _____ Names of adjoining owners according to current tax records. If more than one owner, identify the first owner’s name listed in the tax records followed by “et al.”
14. _____ As specified by the client, distance to the nearest intersecting street.
15. _____ Rectified orthophotography, photogrammetric mapping, remote sensing, airborne/mobile laser scanning and other similar products, tools or technologies as the basis for showing the location of certain features (excluding boundaries) where ground measurements are not otherwise necessary to locate those features to an appropriate and acceptable accuracy relative to a nearby boundary. The surveyor must (a) discuss the ramifications of such methodologies (e.g., the potential precision and completeness of the data gathered thereby) with the insurer, lender, and client prior to the performance of the survey, and (b) place a note on the face of the survey explaining the source, date, precision, and other relevant qualifications of any such data.
16. _____ Evidence of recent earth moving work, building construction, or building additions observed in the process of conducting the fieldwork.

18. _____ Pursuant to Sections 5 and 6 (and applicable selected Table A items, excluding Table A item 1), include as part of the survey any plottable offsite (i.e., appurtenant) easements disclosed in documents provided to or obtained by the surveyor.
19. _____ Professional liability insurance policy obtained by the surveyor in the minimum amount of \$_____ to be in effect throughout the contract term. Certificate of insurance to be furnished upon request, but this item shall not be addressed on the face of the plat or map.
20. _____ _____
